AND IN THE MATTER OF **ZÜRICH VERSICHERUNGS-AKTIENGESELLSCHAFT**

AND IN THE MATTER OF **THE ASSURANCE COMPANIES ACT 1909 (AS AMENDED), THE INSURANCE ACT 1989 (AS AMENDED)** AND THE **EUROPEAN UNION (INSURANCE AND REINSURANCE) REGULATIONS 2015 (AS AMENDED)**

LET ALL PERSONS CONCERNED ATTEND BEFORE THE COURT ON SUCH DATE AS SHALL BE APPOINTED AND THEREOF GIVE DUE NOTICE

REGISTRAR

To: The High Court

The Humble Petition of the Directors of Golden Arches Insurance DAC (**GAIDAC**) (the **GAIDAC Directors**) and the Directors of the management board of Zürich Versicherungs-Aktiengesellschaft (**Zurich**) (the **Zurich Directors**), each of whom are identified in the **First Schedule** hereto (together, the **Petitioners**), shows as follows:

OBJECT OF PETITION

1. This Petition seeks the sanction of this Honourable Court, in accordance with the provisions of Section 13 of the Assurance Companies Act 1909 (as amended) (the **1909 Act**), Section 36 of the Insurance Act 1989 (as amended) (the **1989 Act**) and Regulation 41 of the European Union (Insurance and Reinsurance) Regulations 2015 (as amended) (the **2015 Regulations**), for the transfer of non-life insurance business of GAIDAC to Zurich pursuant to the scheme set out in the **Second Schedule** hereto (the **Scheme**).

INTERPRETATION

2. In this Petition, words and expressions shall have the meanings as set out in Appendix I to the Scheme unless otherwise defined herein.

CONSTITUTION AND BUSINESS OF GAIDAC

3. The particulars, pertinent powers and principal objects of GAIDAC are as follows:

3.1. GAIDAC was incorporated in Ireland as a private limited company on 9 June 1993 under the name Golden Arches Insurance Limited and under company number 203703. On 11 May 2016, Golden Arches Insurance Limited converted to a Designated Activity Company in accordance with the Companies Act 2014.

3.2. GAIDAC's registered office is at Third Floor, The Metropolitan Building, James Joyce Street, Dublin 1, Ireland. According to its most recent audited financial statements, as at 31 December 2023, GAIDAC had net assets of approximately $8,896,752 and a negative net premium earned of $509.

3.3. GAIDAC is a direct wholly-owned subsidiary of MCD Europe Limited, a company incorporated in the United Kingdom under company number 05206138 (**MCD Europe**). MCD Europe is an indirect wholly-owned subsidiary of McDonald's Corporation (**McDonald's Corp**) a company incorporated in the United States of America (the **USA**). McDonald's Corp is the ultimate parent company in the McDonald's group of companies (the **McDonald's Group**). The McDonald's Group is one of the world's largest restaurant chains and is headquartered in Illinois, USA.

3.4. GAIDAC's principal objects as set out in its Constitution are:

(a) *" To undertake and to carry out (whether alone or by way of coinsurance or otherwise howsoever) the business of insurance against non-life risks and liabilities of all kinds and, in particular, risks in the classes set out in Part 1 of Schedule 1 to the European Union (Insurance and Reinsurance) Regulations 2015, or any amendment, modification, replacement or re-enactment of the same, including, without prejudice to the generality of the foregoing, accident, sickness, land vehicles (other than railway rolling stock), railway rolling stock, aircraft, ships, goods in transit, fire and natural forces, other damage to property, motor vehicle liability, aircraft liability, liability for ships, general liability, credit, securityship, miscellaneous financial loss, legal expenses and assistance insurance;*

(b) *to counter-insure or reinsure any insurance risks or liabilities undertaken by the Company;*

(c) *to undertake, accept and to enter into contracts, agreements, and treaties of reinsurance and counter-insurance of non-life insurance risks and liabilities granted or accepted by other persons or bodies (with full power to retrocede all and any reinsurance or counter-insurance business);*

(d) *To carry on all or any kinds of indemnity or guarantee business whether of a kind now known or hereafter devised;*

(e) *To pay, satisfy or compromise any claims against the Company in respect of any policies or contracts granted by or dealt in or entered into or guaranteed or secured or counter-insured or reinsured by the Company that the Company may deem it expedient to pay, satisfy or compromise notwithstanding that the same may not be valid in law and to settle or compromise any claims made by the Company which the Company may deem it expedient to settle or compromise."*

3.5. On 1 September 1993, GAIDAC was authorised by the Minister for Enterprise, Trade and Employment to undertake the business of non-life insurance. On 1 May 2003, the Irish Financial Services Regulatory Authority was established and took over the functions of the Minister for Enterprise, Trade and Employment with respect to the authorisation and supervision of insurance undertakings in Ireland. On 1 October 2010, those functions were transferred to the Central Bank of Ireland (the **Central Bank**). On 1 January 2016, the 2015 Regulations entered into force. The 2015 Regulations transpose Directive 2009/138/EC of the European Parliament and of the Council of 25 November 2009 (the **Solvency II Directive**) into Irish law. On 1 January 2016, the Central Bank issued a new certificate of authorisation to GAIDAC under the 2015 Regulations. As a result, GAIDAC is now authorised under the 2015 Regulations to undertake the business of non-life insurance in Classes 1,2,3,7,8,9,10,13 and 16 as described in Schedule 1 to the 2015 Regulations. That authorisation remains in full force and effect.

3.6. Accordingly, GAIDAC is an assurance undertaking for the purposes of the 1909 Act and an insurance undertaking under the 1989 Act and the 2015 Regulations.

3.7. GAIDAC commenced writing policies on 1 September 1993 and, since that time, has insured, on a direct and fronted basis, a variety of different coverages, including property damage (**PD**), business interruption (**BI**), general liability (**GL**), employers' liability (**EL**), crime, personal accident, intellectual property liability, motor, nuclear, biological, chemical and radiological (NBCR), terrorism, builders' risk, loss of license, workers' compensation and auto risks for the McDonald's Group and its franchisees as well as Ronald McDonald charities houses. GAIDAC ceased to renew business as of 1 July 2020. This means that whilst all of GAIDAC's policies have expired in terms or period of coverage, claims may still arise in the future.

3.8. It's intended that the Transferring Business (which includes the Transferring Policies underwritten by GAIDAC) will be transferred to Zurich. As part of its plans for the proposed Transfer, GAIDAC undertook a due diligence exercise on its policy book and has provided those details to Zurich. Many of GAIDAC's policies were issued prior to a migration to digital record-keeping. As at 21 June 2024, approximately 485 Policies have been identified. Details of the Policies are included at Appendix II to the Scheme set out in the Second Schedule hereto.

3.9. The gross reserves in respect of the Transferring Business to be transferred to Zurich were estimated by GAIDAC to be approximately €10,078,586 as at 4 July 2024.

3.10. GAIDAC and Zurich intend to enter into a business transfer agreement (the **BTA**) which will record the commercial terms on which the Transferring Business will transfer from GAIDAC to Zurich.

3.11. GAIDAC proposes to transfer the Transferring Policies (as defined in the Scheme) to Zurich and is empowered to do so by its Constitution which permits it to *"sell, improve, manage, develop, exchange, lease, mortgage, enfranchise, dispose of, turn to account or otherwise deal with all or any part of the property, undertaking, rights or assets of the company and for such consideration as the company*

might think fit, and generally to purchase, take on lease or in exchange or otherwise acquire any real and personal property and rights or privileges".

3.12. It is intended that GAIDAC will de-risk (extinguish its insurance liabilities) entirely and, subsequently, close down its operations. The vast majority of its business would be transferred to Zurich under the Scheme. There are some pockets of business that will not transfer under the Scheme. Those pockets of business are:

3.12.1. the Inwards Reinsurance Policies (see paragraph 3.15 below);
3.12.2. GAIDAC's outwards reinsurance arrangements (see paragraph 3.16 below);
3.12.3. the UK Portfolio (see paragraph 3.17 below); and
3.12.4. the US Policies (see paragraph 3.18 below).

3.13. GAIDAC has reinsured risks through fronting arrangements (the **Fronting Arrangements**).

3.14. Fronting arrangements are frequently used to assume risk by way of inwards reinsurance (direct insurers are permitted to write inwards reinsurance business in the classes of insurance for which they are authorised). Typically, fronting arrangements involve policies being issued directly to insureds by a commercial insurer (**Fronting Policies**) which then cedes risk back to another insurer through an inwards reinsurance policy. The Fronting Policies were not issued by GAIDAC and are not being transferred to Zurich under the Scheme.

3.15. All of the risk under Fronting Policies issued by commercial insurers to McDonald's Group companies pursuant to the Fronting Arrangements was reinsured to GAIDAC (either under policies issued by GAIDAC or under policies absorbed by GAIDAC under a domestic merger process with the McDonald's Group's Irish reinsurer Golden Arches Reinsurance Limited in 2010) under inwards reinsurance policies covering the period from 1993 to 2020 (the **Inwards Reinsurance Policies**). As the Inwards Reinsurance Policies are not being transferred to Zurich under the Scheme, a different mechanism is needed to deal with them. The Inwards Reinsurance Policies will be novated to Golden Arches Bermuda Limited (a McDonald's Group (re)insurer authorised in Bermuda) (**GAIL**) which will become the reinsurer of the Fronting Arrangements in place of GAIDAC. This will happen under novation agreements and outside of the arrangements detailed in the Scheme. The novation agreements to be executed will be contingent upon the Scheme becoming effective on the Scheme Date.

3.16. GAIDAC also has outwards reinsurance arrangements which will be dealt (outside of the arrangements detailed in the Scheme) with by the substitution of GAIL for GAIDAC as the reinsurer. The substitution is contingent upon the Scheme becoming effective on the Scheme Date.

3.17. A portion of the business written by GAIDAC since it was authorised as a non-life insurer consists of risk coverage in the UK. This risk coverage, which includes PD, BI, GL, EL, crime, personal accident, motor, nuclear, biological, chemical and radiological (NBCR), terrorism, builders' risk, loss of license, workers' compensation and auto risk coverage is underwritten by GAIDAC on a direct basis in the UK (the **UK Portfolio**). For regulatory reasons connected with Brexit, the UK Portfolio is not being

transferred under the Scheme. Instead, it is to be novated to another entity within the Zurich Group which Zurich has confirmed holds the appropriate regulatory permissions to accept the UK Portfolio. GAIDAC and Zurich have agreed in the BTA that, in relation to the UK Portfolio, GAIDAC will novate the UK Portfolio in one or more novation agreements, outside the arrangements detailed in the Scheme. The novation agreements to be executed will be contingent upon the Scheme becoming effective on the Scheme Date.

3.18. GAIDAC also has a small number of policies with risk situate in the US (the **US Policies**) and commutation agreements will be executed to extinguish this risk contingent upon the Scheme becoming effective on the Scheme Date. This is a separate process and is outside the arrangements detailed in the Scheme.

3.19. Consistent with the nature, scale and complexity of GAIDAC, GAIDAC has one part-time employee (being the Chief Executive Officer of GAIDAC). An agreement has been concluded between that employee and GAIDAC. The employment contract in question will not transfer to Zurich (and, in particular, the European Communities (Protection of Employees on Transfer of Undertakings) Regulations 2003 will not apply). GAIDAC has no branches or subsidiaries. GAIDAC operates under an outsource model whereby a number of outsource service providers heavily support GAIDAC in the administration of the Transferring Business. This includes Aon Insurance Managers (Dublin) Limited (**AIMD**) as insurance manager of GAIDAC.

CONSTITUTION AND BUSINESS OF ZURICH

4. The particulars, pertinent powers and principal objects of Zurich are as follows:

4.1. Zurich was incorporated in Austria as a private limited company in 1910 under the name Kosmos Allgemeine Versicherungs AG. Its company register number in Austria is 89577g. In 1979, the company name was changed to Zürich Kosmos Versicherungen AG, and, in 2002, to Zürich Versicherungs-Aktiengesellschaft.

4.2. Zurich has its registered office at Leopold-Ungar-Platz 2, 1190 Vienna, Austria. According to its most recent audited financial statements, Zurich had net assets of over €106.7 million as at 31 December 2023.

4.3. Zurich is a 99.98% owned subsidiary of Zurich Insurance Company Ltd., a public limited company incorporated in Switzerland under company number CHE-105.833.114 (**ZIC**). ZIC is a direct wholly-owned subsidiary of Zurich Insurance Group Limited (**ZIG**) a company incorporated on 26 April 2000 in Switzerland. ZIG is the ultimate parent company in the Zurich group of companies (the **Zurich Group**).

4.4. Zurich is authorised by the Austrian Financial Market Authority (the **FMA**) to effect and carry out contracts of general insurance in Classes 1, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13,16, 17 and 18 as such classes are currently set out and described in Annex 1, Part A of Directive 2009/138/EC (Solvency II). Zurich were registered with the FMA on 1 January 1987.

4.5. Zurich is a composite insurer underwriting general, commercial and life insurance. Zurich offers insurance products to more than 755,000 customers. These include individuals, small and medium-sized enterprises, large companies, and multinational corporations. Zurich operates within the EEA and carries licenses according to Article 23 of the Austrian Insurance Supervision Act 2016 in Belgium, Bulgaria, Croatia, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden for some of the above-mentioned insurance classes under the freedom to provide services.

4.6. Zurich is empowered to accept the transfer of business from GAIDAC under section 1 of its Articles of Association which state that *"The company is authorised, with the approval of the supervisory authority, to take over or manage the portfolios of other insurance companies in whole or in part."*

4.7. Zurich proposes to accept a transfer of the Transferring Policies from GAIDAC and will possess the necessary eligible own funds to cover the Solvency Capital Requirement referred to in Regulation 113 of the 2015 Regulations after taking the Transferring Business into account and the Central Bank will request the FMA to issue a certificate to that effect. Implementation of the Scheme will be subject to receipt of that certificate.

BACKGROUND TO THE SCHEME

4.8. In 2020, McDonald's Group, having examined the efficiency, cost and administrative burden and other factors of its insurance operations, completed a thorough review of alternative domiciles for its insurance operations, while remaining focused on the interests of the policyholders/insureds. The outcome of this review was that the optimum domicile for McDonald's Group's insurance operations is Bermuda. McDonald's Group formed a new insurance undertaking in Bermuda, GAIL, which was incorporated on 14 April 2020. GAIL commenced issuing coverage from 1 July 2020. It has ultimately been determined that the best way for the McDonald's Group to achieve its goals, whilst protecting the interests of the policyholders/insureds, is to proceed with the actions described in this Petition and the Scheme.

4.9. At a meeting held on 27 June 2024, the GAIDAC Directors resolved to effect the proposed Transfer to Zurich. This was re-confirmed and re-approved at a meeting of the GAIDAC Directors on 8 July 2024. At a meeting held on 1 July 2024, the Zurich Directors resolved to accept the proposed Transfer from GAIDAC.

PRINCIPAL FEATURES OF THE SCHEME

5. The Scheme has the following principal features:

5.1. On and with effect from the Scheme Date, the Transferring Policies (defined in the Scheme to include the Policies other than the Excluded Policies) and the Transferring Assets will be transferred to and vested in Zurich. On that date, Zurich will succeed to and become responsible for, and entitled to, all the rights, benefits and powers of GAIDAC subsisting on the Scheme Date and will become entitled

to any and all defences, claims, counterclaims and rights of set-off against or under the Transferring Policies and the Transferring Assets which would have been available to GAIDAC.

5.2. On and with effect from the Scheme Date, the Transferring Liabilities (defined in the Scheme to include all debts, obligations and liabilities whatsoever of GAIDAC arising from, allocated or attributable to the Transferring Policies and the Transferring Assets) will be transferred to and vested in Zurich, with the effect that GAIDAC will be wholly released from, and Zurich will succeed to, the Transferring Liabilities.

5.3. Every holder of a Transferring Policy and every person who has a right under or in respect of a Transferring Policy will, with effect from the Scheme Date, become entitled, in substitution for and to the exclusion of any right against GAIDAC thereunder (from which GAIDAC will be entirely released), to the same rights against Zurich as were available against GAIDAC under such Transferring Policy. In addition, every holder of a Transferring Policy and every person who has a liability or obligation under a Transferring Policy will, with effect from the Scheme Date, in substitution for any liability or obligation owed thereunder to GAIDAC, be under the same liability or obligation to Zurich.

5.4. The Scheme also provides for Excluded Policies (defined in the Scheme as any Transferring Policies which do not transfer to Zurich on the Scheme Date in certain specified circumstances). The Excluded Policies will not be transferred to Zurich on the Scheme Date but will remain vested in GAIDAC pending their transfer to Zurich in accordance with the terms of the Scheme. On and from the Scheme Date, the Excluded Policies will however be reinsured by Zurich in their entirety pending their transfer to Zurich under the Scheme.

5.5. Except where the context otherwise requires, all references to GAIDAC (or any predecessor of GAIDAC) in any Transferring Policy or in any contract or other document or instrument to the extent evidencing title to, or the benefit or the burden of, any Transferring Policy or Transferring Asset, shall, from and after the Scheme Date, be read as references to Zurich.

5.6. Any Proceedings (as defined in the Scheme) pending by or against GAIDAC on the Scheme Date in connection with the Transferring Policies, the Transferring Assets or the Transferring Liabilities will be continued by or against Zurich with effect from the Scheme Date and Zurich will be entitled to any and all defences, claims, counterclaims and rights of set-off that would have been available to GAIDAC in relation to any such Proceedings.

ACTUARIAL REPORT

6. Irish law does not require the Petitioners to procure an actuarial report as a pre-requisite to seeking or obtaining the sanction of this Honourable Court for the transfer of a portfolio of non-life insurance business. GAIDAC has, however, engaged Aoife O'Brien, a director and senior actuary of KPMG Ireland, to review the proposed Scheme and to provide a report on the same from an actuarial perspective (the **Actuarial Report**).

7. Aoife O'Brien is a Fellow of the Society of Actuaries in Ireland with experience in the non-life insurance sector.

8. Aoife O'Brien has reviewed the proposed Scheme and has considered its potential impact on the policyholders/insureds of GAIDAC and Zurich. In her Actuarial Report, Aoife O'Brien has concluded that:

8.1. *"The security of benefits to the impacted policyholders of GAIDAC and the existing policyholders of ZVA will not be materially adversely affected by the implementation of the Scheme on the Effective Date; and*

8.2. *The Scheme will not materially adversely impact on the service standards experienced by the transferring policyholders of GAIDAC and the existing policyholders of ZVA."*

9. In addition, Aoife O'Brien notes in the Actuarial Report that *"there is adequate planned communication of the Scheme to the relevant policyholders."*

10. Aoife O'Brien will prepare a supplementary report in advance of the hearing of this Petition to deal with any relevant matters which may have arisen since the date of the Actuarial Report including any such matters which she believes may impact on her conclusions therein.

PUBLICITY AND CONSULTATION

11. As required by the 1909 Act and the 2015 Regulations, the Petitioners intend to publish notice (the **Notice**) of their intention to make this application in Iris Oifigiúil and in two daily newspapers published in the State, namely, the Irish Times and the Irish Independent. The Petitioners also intend to publish the Notice in the Financial Times (International Edition) and otherwise as the Court may direct or the Central Bank request.

12. As required by Regulation 41(5)(b) of the 2015 Regulations, the Petitioners also intend to publicise the proposed Transfer in accordance with the law of each other EEA Member State in which risks under the Policies are situated. AIMD, in its capacity as GAIDAC's manager often project manages portfolio transfers similar to the proposed Transfer and, in that context, obtains legal advice in EEA Member States for its clients in order to confirm local publication rules. AIMD has also requested that A&L Goodbody provide it with information to supplement this, in cases where AIMD may not have recent information on such rules in certain EEA Member States. GAIDAC will publish advertisements (if, and as, required by those local rules) in each EEA Member State in which risks under the Policies are situated. Those Notices will be in substantially the same form as the Notice (adjusted and/or translated as necessary to comply with any local rules).

13. In addition to Ireland, the risks under the Policies which are situated in the EEA are situated in Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Hungary, Latvia, Lithuania, Malta, the Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain and Sweden. On that basis, the Petitioners will comply with any publication requirements in Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Hungary, Latvia,

Lithuania, Malta, the Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain and Sweden.

14. As an additional step, GAIDAC/McDonald's Group propose to communicate with the policyholders/insureds in line with its business as usual (**BAU**) process for communicating with those policyholders/insureds in relation to their coverage (the **Communication**). That BAU process is that the local broker sends policies and invoices to the local McDonald's Group contact who disseminates that information to the policyholders/insureds. Where there are exceptions to this process, AIMD (or the wider Aon group ((**Aon Global**)) provide the invoices and policies to the local McDonald's Group contact who disseminate that information to the policyholders/insureds.

GAIDAC/McDonald's Group propose to follow this same approach for its communications in relation to the proposed Transfer. In addition, GAIDAC/McDonald's Group plan to also send the Communication directly to the local McDonald's Group contact who will disseminate that information to the policyholders/insureds. What this means is that the Communication will be transmitted to policyholders/insureds as follows:

14.1. the local broker will send the Communication to the local McDonald's Group contact who will disseminate the Communication to each relevant policyholder/insured. Alternatively, if there is no local broker, AIMD or Aon Global will send the Communication to the local McDonald's Group contact who will disseminate the Communication to each relevant policyholder/insured; and

14.2. GAIDAC/McDonald's Group will also send the Communication to the local McDonald's Group contact who will disseminate the Communication to each relevant policyholder/insureds.

15. While the proposals outlined in paragraph 14 above will result in duplicate copies of the Communication being transmitted, GAIDAC/McDonald's Group prefer to take the additional step of reaching out directly to the local McDonald's Group contact with the Communication (in circumstances where a proposal of this nature is planned).

16. The Communication will be from a director of McDonald's Group and will be issued in the English language in line with BAU process.

17. The Fronting Policies are not being transferred to Zurich under the Scheme and will remain in force as between the commercial insurers who issued those policies and those insured under them. As the Fronting Policies will not be transferring under (and will not be impacted in any other way by) the proposals, it is not intended that any communication will be sent to those insureds. This is consistent with BAU process in relation to Fronting Policies and insureds are not notified of a change to reinsurance partners as a matter of BAU.

18. As required by the 1909 Act, a copy of the Scheme will be made available for inspection by the policyholders/insureds and shareholders of GAIDAC and Zurich at their registered offices for a period of at least fifteen days after the date on which the Notice is published in Iris Oifigiúil. The Petitioners also intend to make this Petition, a copy of the Notice published in Iris Oifigiúil and the Actuarial Report available for inspection alongside the Scheme (the **Scheme Documentation**). The Scheme

Documentation will be available for inspection by the policyholders/insureds and shareholders of GAIDAC and Zurich at their respective registered offices between the hours of 9.00 a.m. and 5.00 p.m. local time on each working day from the date hereof until the date that the said Petition is to be heard by the Court (both dates inclusive). When available, the supplementary report of the Actuarial Report shall also be made for inspection by the policyholders/insureds and shareholders of GAIDAC and Zurich, as well as other interested parties at their registered offices. The Scheme Documentation will also be available for inspection and/or download online on the following website link https://corporate.mcdonalds.com/corpmcd/GAIDAC.html and on https://www.zurich.at/ueber-zurich/pressebereich/presseaussendungen. All documents which are made available at the registered offices and online will be in the English language.

19. As will be detailed in the Notice, each of GAIDAC and Zurich will have telephone contacts and an email address for their respective policyholders/insureds in order to answer any questions or deal with any concerns which any person may have in relation to the Scheme.

20. Any person who cannot access the websites above can request copies of the documents to be posted to them, free of charge, by contacting GAIDAC or Zurich in the manner set out in the Notice.

21. For the purposes of Regulation 41(1) of the 2015 Regulations, GAIDAC has consulted with the Central Bank in relation to the Scheme. The Petitioners understand that the Central Bank will consult with the relevant supervisory authorities in each EEA Member State in which the Policies were concluded pursuant to Regulation 41(3)(b) and Regulation 41(4) of the 2015 Regulations.

COSTS

22. The costs and expenses in relation to and incidental to, the preparation and negotiation of the Scheme, its presentation to the Court and its implementation, shall be borne by the Parties in such proportions as they may agree.

APPLICATION TO COURT

23. Your Petitioners do not believe that there is or could be any objection, or any sufficient basis for an objection, to be made in relation to the Scheme and the Petitioners respectfully submit that, in the circumstances, it is just and equitable that the Scheme be sanctioned by this Honourable Court.

24. The Petitioners believe that, for the reasons outlined above, the interests of holders of Transferring Policies would be best served by the Scheme.

25. The Petitioners therefore pray as follows:

25.1. an Order pursuant to the provisions of Section 13 of the 1909 Act and Regulation 41 of the 2015 Regulations sanctioning the Scheme;

25.2. such Order(s) pursuant to the provisions of the 1909 Act, the 1989 Act and the 2015 Regulations, as may be appropriate, to transfer the Policies to Zurich as and to the extent intended by the terms of the Scheme;

25.3. an Order pursuant to Section 36(1)(c) of the 1989 Act providing for the continuation by or against Zurich of any legal proceedings pending, by or against GAIDAC on the Scheme Date, relating to the Policies;

25.4. such orders as the circumstances may require to provide for the transfer to Zurich of the whole or any part of the undertaking and of the property or liabilities of GAIDAC or such incidental, consequential or supplementary matters as are necessary to secure that the intended Transfer should be fully and effectively carried out; and

25.5. such other orders as may be appropriate.

Dated this 8th day of July 2024.

1 **INTRODUCTION**

1.1 GAIDAC was incorporated in Ireland as a private limited company on 9 June 1993 under the name Golden Arches Insurance Limited and under company number 203703. On 11 May 2016, Golden Arches Insurance Limited converted to a Designated Activity Company under the Companies Act 2014. GAIDAC's registered office is at Third Floor, The Metropolitan Building, James Joyce Street, Dublin 1, Ireland.

1.2 GAIDAC is a non-life insurance undertaking authorised by the Central Bank under the 2015 Regulations.
